

HID CONTROLLER WIRING

Shock hazard! Disconnect your battery before installing!

DO NOT TOUCH THE HID BULBS WITH YOUR BARE SKIN! OILS FROM YOUR SKIN WILL SHORTEN ITS LIFE!

Note: For this HID conversion installation, the (blue & black) wires shown below and ballast plug that are included in the ballasts & bulbs box are not used. They may be cut and discarded. Only the (orange bulb connector) to ballasts are used. Your kit wires may have already cut.
