

BMW 2000/69 USA

- 1 Turn indicator and parking light front RH
- 2 High beam headlight (1) RH
- 3 Headlight (2)
- 4 Horn RH
- 5 Horn LH
- 6 Headlight (2)
- 7 High beam headlight (1) LH
- 8 Turn indicator and parking light front LH
- 9 High beam relay
- 10 Coil
- 11 Distributor
- 12 Alternator
- 13 Starter
- 14 Voltage regulator
- 15 Battery 12 V
- 16 Horn relay
- 17 Plug for foglamp relay
- 18 Windshield washer pump
- 19 Oil pressure contact
- 20 Remote thermometer contact
- 21 Automatic choke (Automatic only)

- 22 Screenwiper motor
- 23 Delay relay
- 24 Heater, flower motor
- 25 Turn indicator/parking light/windshield washer switch
- 26 Ignition/starter switch
- 27 Horn ring
- 28 Switch lighting
- 29 Dip switch and headlight flasher
- 30 Starter relay (Automatic only)
- 31 Light switch
- 32 Cigar lighter
- 33 Wiper switch
- 34 Blower switch (continuously variable)
- 35 Hazard warning flasher unit
- 36 Hazard warning flasher switch
- 37 Fuse box

- 38 Combined instrument:
 - a Instrument lighting
 - b Fuel gauge
 - c Thermometer
 - d High beam telltale (blue)
 - e Fuel reserve and choke telltale (white)
 - f Turn indicator telltale (green)
 - g Oil pressure telltale (green)
 - h Charge telltale (red)
- 39 Clock
- 40 Speedometer
- 41 Choke cable switch (not Automatic)
- 42 Door switch RH
- 43 Stop light switch
- 44 Door switch LH
- 45 Interior light
- 46 Fuel gauge tank mechanism
- 47 Selector lever illumination (Automatic only)
- 48 Switch for reversing light and starter lock (Automatic)

- 49 Heated rear window connection
 - 50 Rear light RH
 - 51 Rear light LH
 - A Turn indicator
 - B Rear light
 - C Reversing light
 - D Stop light
 - 52 License plate light
 - 53 Brake fluid level switch
 - 54 Brake fluid level telltale
- Firing order 1-3-4-2
- Cable coding:**
1.5 sq. mm cross-section
- Basic colour:

BL = blue
BR = brown
GE = yellow
GN = green
GR = grey
RT = red
SW = black
WS = white
