

## Our 65th Year !

HILLSBOROUGH  
CONCOURS D'ELEGANCE

*"The Longest Continually Running  
Concours in the World"*

Dear John,

I hope this note finds you safe and well.

My name is Glen Egan, and I have the honor of being the new Chairman of the Hillsborough Concours d'Elegance.

2020 was a challenging year for everybody and while it was a very tough decision to cancel last year's event, in retrospect it was obviously the right thing to do.

Looking ahead optimistically, I am pleased to announce that we are opening up registration for the 2021 Hillsborough Concours d'Elegance today.

We are very excited to be featuring Ford and BMW as our featured marques.

The Concours will take place on **Sunday, July 18th**, preceded, as in the past, by the Tour d'Elegance on Saturday, July 17th and our fantastic "Start Your Engines" kick-off party on Friday the 16th.

I am sure you all feel as I do and cannot wait to get out and see all the great work people have done with their cars during lockdown and to get together to eat, drink and talk about our shared passion.

We are quite cognizant that the path to holding these types of events in 2021 is not 100% clear and we may yet be derailed due to COVID, but we feel it is better to positively move forward with the light at the end of the tunnel glinting in the distance.

We have been working very hard to put together an incredible array of cars and displays that will have made it worth the wait!

To that end, I want to take this opportunity to thank our Sponsors, Entrants, Car dealers, Vendors, Attendees, and of course – our VOLUNTEERS for the incredible support we have received over the past year. We very much appreciate you all and we couldn't do it without you!

**So please, take this opportunity to join us and enter your car in our show below!**

As always, it is incredibly easy and there is **NO downside** to doing it
